

# **“WHO WANTS TO BE A WINNER”**

*It's a New Event Opportunity for Our Vendors*

*The “Who Wants to be a Winner” Event was created to give our vendors another Face-to-Face time with the attendees. We are asking all vendors wishing to participate in this event to bring a raffle prize to the conference. The raffle prize will be showcased at Your booth, You will provide the entry slips and the fishbowl. You will determine how many times someone can enter their name into your fishbowl and what kind of contact information that you want them to give you on their entry slips...This is ALL about “YOU”.*

*Then on Wednesday Evening You will bring your raffle prize and fishbowl to the event to be displayed. We will pull a Vendor's name out of our fishbowl, and the vendor will come up and draw their winner's name and have their picture taken with the winner and the prize for insertion in the next issue of the RWAA's “Future of Water” magazine. All winners **MUST** be present at the “Who Wants to be a Winner” event, to win.*

*Remember this is ALL about You, Our Vendors... Sooooo, not only is it another Face-to-Face time with the attendees... It is a **Free Advertising Opportunity**. Get Your name and Company Name out to all those that receive the “Future of Water” magazine. But **Wait there's more...**our magazines are posted on our website for All the world to see...that means you are reaching Everyone that visits our website... **Now that's publicity and advertising!!!***
