

Hi Ms Russell,

My name is Crystal and I wanted to provide feedback on your page (<http://www.rwaa.info/view/just-for-kids>). I'm not sure if you're the right person to contact, but I wanted to tell you that as a student teacher working on a lesson plan for next year, your page was a great source of information.

As a thank you, I thought I'd suggest an additional resource that I also found useful in my research. I've been using material from this page (<http://www.filtersfast.com/water-cycle.asp>). It has some good information about the water cycle that you might find useful.

Take Care,
Crystal
